

Let us train you!

Watts Electric Company is an electrical contractor doing business in Nebraska and the surrounding states for more than 35 years. We tackle a diversified electrical scope of work including airports, roadway lighting, signing, and underground utility construction. We understand that our employees are the greatest asset in the company. We aim to attract, develop, and retain the best talent. We foster a merit based environment where employees are able to determine their own success.

Position Description:

This is a great opportunity to build a career and learn a trade! We welcome applicants both with and without experience. 4 day work-weeks are available part of the year. Weeknight travel is typical. Hours range from 50 - 60 hours per week. During outages or due to deadline constraints, weekend work would be required.

Minimum Qualifications:

- High School Equivalency
- No felony convictions and able to clear a high security background check
- Able to clear drug screen
- Valid operator's license with no loss of license in 2 years
- Higher wages for Class A CDL license
- Able to lift / push / pull 100 pounds (physical required)
- Stand / kneel / bend on uneven surfaces for 13 hours per day (physical required)
- Able to work in confined spaces
- Able to work at heights up to 60 feet
- Work 100% outdoors
- Available for overnight travel
- Available for weekend work
- Must be 18 years of age or older

Benefit Package Includes:

- Wage is determined by experience. Minimum starting wage is \$16.00 per hour.
- Per Diem for overnight stay
- Health insurance
- Dental insurance
- Vision Insurance
- Company paid life insurance
- Company paid short term disability insurance
- Paid time off
- Holiday pay
- Matching 401K
- Reimbursable apprenticeship programs
